## Legacy Celebration

December 4, 2021 Honoring Dr. Michele Wilkins

### ITEM DONATIONS NEEDED!

On Saturday, December 4, 2021 Child's Voice will be hosting the Voice From The Heart Legacy Celebration at Hilton Oak Brook Hills Resort in Oak Brook, IL. We are kindly requesting your help to make it a success!

This year marks the 25th year Child's Voice has been changing lives of children with hearing loss across the greater Chicago area. Annually, over 350 children and their families are supported through our Audiologic Center and its baby testing program, our Early Intervention Program, and our School Program for children 3 to 8 years of age. Upon graduation, our students leave Child's Voice prepared to successfully transition into their mainstream home schools. We will also be celebrating the accomplishments of our Executive Director, Dr. Michele Wilkins, who is retiring after 23 years of incredible leadership!

As we navigate our new (ever-changing) version of normal, we are kindly reaching out to see if you are able to make a contribution for this event. Over the last 18 months we have embraced a lot of change, and are eager to continue thinking outside the box. We are open to fun and creative ways that we can rally around businesses who have been hit hardest by the pandemic. For example, we would love if you purchased a gift card or a basket of items from your favorite small business or restaurant for the silent auction! If you are able to give, we would be honored to have your support.

An Item Donation Form is enclosed for your convenience. Please complete the form and be sure to include all requested information including the item description, how you should be acknowledged in the event program, the value of the item and any item/date restrictions.

If you have any questions or need assistance in completing the forms, please contact the Child's Voice Advancement Team at (630) 595-8200 or via e-mail at [events@childsvoice.org](mailto:events@childsvoice.org). Our Sales Tax Exemption Number (E99) is: E99540231

Thank you in advance for your support of Child's Voice! You will have a positive and lasting impact on the lives of all we touch through our programs.

Sincerely,

Haley Drucker, *Class of '03, Hearing Itinerant, District 135*
